ORANGE BOARD OF FINANCE

DESPITE HEADWINDS CAUSED BY INFLATION AND STATE-MANDATED REVALUATION, JIM ZEOLI'S TEAM HAS KEPT SPENDING AND TAXES UNDER CONTROL.

- We keep taxes under control using sound budgeting practices.
- We saved over \$1.2 million from our current budget on town operations using conservative budgeting practices and spending controls.
- Our fiscal policies have maintained our Standard & Poor's rating of AAA.
- Employee benefits drive 56% of the increase in town-side expense.
- Over 61% of the Orange budget supports our excellent schools, both Orange Elementary and Amity Regional.

The robust economic development that Jim Zeoli and his team have brought to Orange over many years plays a major role in the mitigation of your tax burden.
